

What's the risk?

1. Paul has been very depressed for over a year. He has started to smoke cannabis every day.

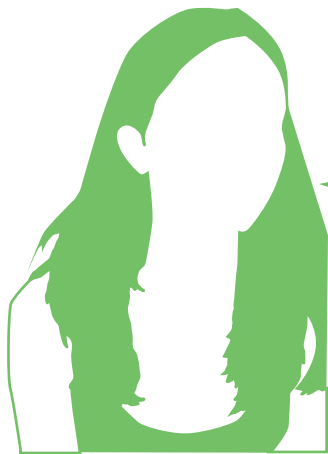

2. Celine has never smoked cannabis before. She is about to share her first joint.

3. Bridy is feeling very anxious and fed up. She starts smoking skunk, a strong form of cannabis.

4. Salim has been smoking cannabis regularly for years. He has not got a job and has started to sell cannabis to make some money.

5. Graham has been smoking cannabis all evening. He is very stoned. He drives home in his car.

6. Dionne eats five biscuits that have been made with cannabis.

7. Beth is out at a club. She drinks six vodkas, then starts smoking cannabis.

8. Patrick has been up all night dancing and has taken some ecstasy. He starts smoking cannabis to chill out.

9. Naobie has had a lot of chest infections recently. She does not drink much alcohol, but she likes to smoke cannabis regularly.

10. A young couple who are sexually attracted to each other have the house to themselves. They do not have any condoms. They both get really stoned.
