

Air Quality and Active Travel

SWINDON BOROUGH COUNCIL'S PUBLIC HEALTH TEAM AIMS TO RAISE AWARENESS AROUND THE CAUSES AND EFFECTS OF POOR AIR QUALITY, THE HARMS OF WOOD BURNING AND HOW RESIDENTS CAN REDUCE THEIR PERSONAL EMISSIONS. THE INFORMATION SESSIONS WE DELIVER ARE DESIGNED TO EDUCATE SCHOOL AGED CHILDREN ABOUT THE FOLLOWING TOPICS WITH AN ENGAGING PRESENTATION AND FUN ACTIVITIES:

What is air pollution?

What are the sources of air pollution?

What are the effects of poor air quality to our health and the environment?

What is particulate matter?

How does wood burning affect our health and the health of the community?

What can we do as residents to help?

What is active travel?

How is active travel beneficial to our health and how does it reduce emissions?

What other solutions are there to make the air cleaner?

- To book an information session at your school, please email Andrew (Public Health Practitioner) on AAbbott2@swindon.gov.uk.
